WHAT MANUFACTURING REALLY LOOKS LIKE

COOL JOBS TOUR - Elk River, MN

Today's manufacturing is about advanced technologies, state of the art facilities, and fast paced, interesting work environments. But most of all, manufacturing is about seeing the product and knowing you contributed.

Tour local manufacturers and see for yourself...

- The variety of career opportunities available at local companies (wages, job skills, responsibilities)
- The pathways to building the knowledge and skills needed to qualify for today's manufacturing jobs
- The purpose and value of the modern manufacturing companies located in our community
