# Sponsorship Opportunities

The **AMFA-Educational Trust** addresses education and workforce issues in the Arrowhead region, particularly the lack of skilled labor available for manufacturing positions.

Funds raised are used primarily for grants to K-12 school to fund equipment purchases, tooling and supplies, robotics teams, and field trips to manufacturing facilities.

Our goal is to raise \$15,000 to benefit youth in the AMFA region in 2025!

The AMFA-ET Golf Social

- Is the organization's primary fundraiser each year
- Generates funds to support technical education leading to a higher skilled manufacturing workforce
- Allows manufacturers, suppliers, and service providers to have an impact.
