

As a unified, cooperative resource, RRMEA provides members a forum for sharing of ideas and information that can enhance your success.

Membership is open to manufacturers in all media, from metal, wood, plastics and textiles, to printing, food, and more. We also encourage membership from support services including education, workforce development and government, as well as financial, legal, accounting, and other professional service providers.

RRMEA is a dynamic, member-driven organization that strengthens and promotes manufacturing in the Greater West Fargo, Fargo, Moorhead, and Dilworth areas.

Member benefits

Workforce development

We are committed to strengthening the manufacturing workforce in our regions through initiatives to 1) change the image of manufacturing and 2) attract new people to manufacturing and 3) increase incumbent worker skill.

Advocacy - A legislative voice for manufacturers in the Greater Fargo Moorhead area

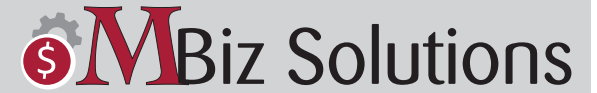

We strive to monitor and inform our members of relevant legislative activity, offer a collective voice of advocacy for manufacturers, provide legislative representation at key events, and coordinate legislator visits to manufacturing sites.

Member education and networking

Learn through manufacturing facility tours, keynote speakers on emerging manufacturing topics at general meetings, networking and fundraising functions, featured member articles, newsletters and weekly communications.

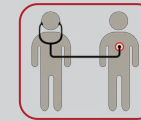

Strategic partnerships

Enhancing your success and meeting our initiatives is achieved through strategic partnerships with key organizations, supporters, and endorsed programs.

Lower your operating costs through membership

Responding to member needs, we have carefully selected these solutions — vetted by our board and endorsed by fellow members — to provide a cost savings to your operation.

Employer Health Plans

Customizable health insurance for member businesses and employees

Employer Dental & Vision Plans

Multiple dental and vision insurance plans for member businesses and employees
