Sponsorship Opportunities

Proceeds from the TSMA Golf Social fund manufacturing-related youth programs in our region. These contributions promote workforce development and career awareness, helping to shape the next generation of skilled professionals.

At TSMA, we are committed to enhancing the perception of manufacturing and inspiring young individuals to explore careers in this dynamic industry.

Together, we aim to raise \$15,000 to support youth initiatives in the TSMA region in 2025!

How TSMA makes an impact:

- **Manufacturing Career Dream Team:** Empowering students with role models in manufacturing.
- **Local career fairs:** Connecting youth with manufacturing opportunities.
- **Student tour transportation funds:** Making workplace tours accessible to all.
- **Website:** Resources for students, parents, and educators to explore manufacturing careers.
- **Statewide Tour of Manufacturing:** Showcasing manufacturing facilities during October's Manufacturing Month.
- **Planning committee for tours:** Supporting the coordination of impactful experiences.
- **FREE membership** to 32 area schools.
- **FREE meetings and tours:** Providing students, educators, and counselors with hands-on exposure to manufacturing.
- **K12Navigator.org:** A powerful resource for K-12 students exploring career pathways.

Join us in making a difference and empowering youth to build a future in manufacturing!
